

KING DAVID SOCIETY

2024 ROLL OF HONOR

THANK YOU

As a member of UJA's King David Society, you're part of our cherished community of distinguished donors. Your support fuels our campaign each year and enables us to help millions of people in need in New York, in Israel, and across the globe.

This year was one in which your commitment to our work held new meaning. Whether it's the war in Israel or the global surge in antisemitism, UJA can respond to whatever crisis is before us — powerfully and effectively — because of your generosity. Thank you for strengthening our community today — and the community we want to leave for the generations that will follow us.

Volunteering with UJA is a compelling way to experience the impact of our work

Thousands of campers enjoyed newly renovated campgrounds at UJA's Henry Kaufmann Campgrounds, the largest Jewish day camp network in North America

UJA works to make sure isolated seniors know they are not alone

In uncertain times, you stepped up.

No one could have foreseen what 2024 would bring. The ramifications of the war in Israel—from the economic to the social and emotional—are still ongoing. A dangerous uptick in antisemitism and other manifestations of hatred brought its own challenges, but we've been able to meet these challenges and more head-on thanks to your support.

It's your recognition of the critical issues at hand and your ongoing generosity that helps empower us to respond to the crises before us.

How you helped us help others.

Since October 7, we have all carried different dimensions of pain and grief for the people of Israel. Within hours of the attacks, we allocated \$10 million from our endowment; ours was some of the first overseas funding to reach Israel. To date, we've granted over \$100 million in emergency funds. Those dollars include funding to support hostage families, mental health programming for Nova survivors, lifesaving equipment for hospitals in southern Israel, and much more.

While we remain dedicated to our emergency response in Israel, we also continue to honor our commitment to our ongoing work: helping millions of New Yorkers in need, fighting antisemitism and hate, responding to the mental health crisis, and empowering Holocaust survivors to live the rest of their lives with dignity and in comfort.

Your continuing generosity makes all this, and so much more, possible.

KING DAVID SOCIETY

Your membership is our thank you.

The King David Society (KDS) is a community of our most dedicated supporters who make an annual gift of \$25,000 or more to UJA.

Think of KDS membership as an extra benefit you've earned through your dedication to UJA. Join us for high-level briefings and cultural events open only to KDS members. Enjoy VIP access to timely conversations about world issues with thought leaders and pre-release screenings of films introduced by the actors, directors, or producers. Travel on missions both locally and abroad to experience the impact of your support.

This past year, we heard from former hostages and their families about their harrowing experiences; director of Schneider Children's Medical Center in Israel Dr. Efrat Bron-Harlev on the hospital's response to October 7 and the immediate aftermath; artist Paula Blumenfeld and author Judy Batalion on their portraits of Jewish women resistance fighters in the Holocaust; and members of the Tree of Life synagogue with a screening of a new documentary about the 2018 shooting, among others. We ate delicious food and learned about Jewish holiday cooking with Michael Solomonov and Naama Shefi from the Jewish Food Society. We went to Broadway and engaged in Jewish learning with Rabbi Michael Paley at the Center for Jewish History. We volunteered at UJA nonprofit partners and celebrated Thanksgiving with Holocaust survivors. And we traveled to Israel on solidarity missions to meet with civic leaders and trauma specialists supporting those in need, hear the stories of survivors from the devastated kibbutzim, and visit UJA-funded nonprofits doing critical work on the ground.

We're always here for you.

Worried about aging parents who need assistance? Is your college student confronting antisemitism from peers? Need information on excellent Jewish day camps? You don't have to face life's most important crossroads alone.

Partnership goes both ways.

Get in touch and let us know how we can be there for you.

The 2024 Campaign represents giving from July 1, 2023, to June 30, 2024.

* In addition to supporting the annual campaign, these individuals have also established a legacy gift. PACE/LOJE Funds represent individuals of blessed memory who created an endowed fund that provides a gift in their name to the annual campaign in perpetuity.

+ In addition to supporting the annual campaign, these individuals have also contributed to one of our three Signature Initiatives: It Starts With Camp, through which we seek to revitalize more than 500 acres of campgrounds — representing the largest Jewish day camp system in North America — so that they can best nurture the next generation; the Jerusalem Arts Campus, which houses Jerusalem's leading performance and visual arts schools and anchors Jerusalem as a vibrant, rich, multicultural hub; and Upward New York, through which we seek to break the cycle of poverty by creating two one-stop social service Hubs and a Digital Pantry system.
